The American Wine Blog Awards are conducted by Tom Wark, proprietor of “FERMENTATION: The Daily Wine Blog”. Wark instituted the Awards to draw attention to the high caliber of content and ideas being produced on the more than 400 wine blogs that now exist on the Internet.

“Anyone who looks over the Awards finalists will discover there is enormous talent and dedication in the wine blogosphere,” noted Wark. “What we are seeing is a renaissance of the wine writing genre being spurred on by citizen wine writers and the blogging format.”
